-------	------	------------	-------------	-----------------	-----------	-----------

We welcome anyone interested in the marque to apply to the Crossley Register – ownership of a Crossley vehicle is not necessary. The Crossley Register is run by a group of Crossley enthusiasts on an informal basis. In return for an annual subscription we aim to provide subscribers with a Newsletter three times per year which is usually in colour, with articles, historical information, photographs, news items, sales and wants. We also aim to provide a technical advisory service on Crossley vehicles and to encourage their use with two weekend events per annum organised by volunteers. More details about the Register are given on the enclosed information sheet.

This application is open to all persons having an interest in Crossley vehicles, but the Register has the right to refuse membership without being called upon to assign any reason and also to revoke membership at any time.

Please use the reverse side of this form to list any sales or wants that you would like us to include in the Newsletter.

Your contact details are confidential and will not be used for anything more than essential Register correspondence, the car register itself, and the delivery of the Crossley Register Newsletter.

I agree that my contact details may be published in the Crossley Newsletter. Yes No
